Election of MMMF Board Member

As a non-profit organization, we must comply with democratic procedures in electing board members. At our September meeting, Phil Bolinger was nominated for a second term. His five-year term expires on December 31, 2007. Now is the time to vote for the Board position. You may write in names of others. Please fill out the enclosed ballot and return to MMMF, 8002 Wind Rock Lane, Harrison, Arkansas 72601 before December 31.

2008 Meeting Place

It appears that we will be meeting in Prescott, Arizona in September 2008. Hopefully, we can dedicate a library collection as part of our meeting. We are currently waiting on a decision from their library board as to whether they choose to house our special collection of massacre related materials.

Library Collection in Independence, Missouri

We are currently pulling together a special library collection for the Oregon-California Trails Association (Mattes Library) in Independence, Missouri. The collection will be dedicated about May 20, 2008. All MMMF members are encouraged to attend the dedication. Bob Fancher has investigated the library and surrounding tour opportunities such as Truman Library, Hauns Mill, Far West and other early LDS sites. I suspect that we can talk Bob into leading a historical tour of the various sites.

Joint Request for National Landmark Designation

The three descendant organizations have submitted a joint request to the LDS Church asking for their help in acquiring National Landmark Designation for the Mountain Meadows grave sites. The letter was signed by Terry Fancher (MMA), Patty Norris (MMMD) and Phil Bolinger (MMMF).

(AN EXPANDED NEWSLETTER WILL BE FORTHCOMING IN EARLY 2008. UNTIL THEN, HAVE A MERRY CHRISTMAS AND HAPPY NEW YEAR. DO NOT FORGET THE BALLOT!)
